

Summit Hill Heritage Center

The purpose of the Heritage Center is to provide a community meeting place for all in the Panther Valley and surrounding communities; provide a perpetual facility for the Summit Hill Community Food Bank and its successors; provide a venue for musical, cultural events, including historical, low-cost educational programs; and a place for all the community service groups to meet and/or hold events.

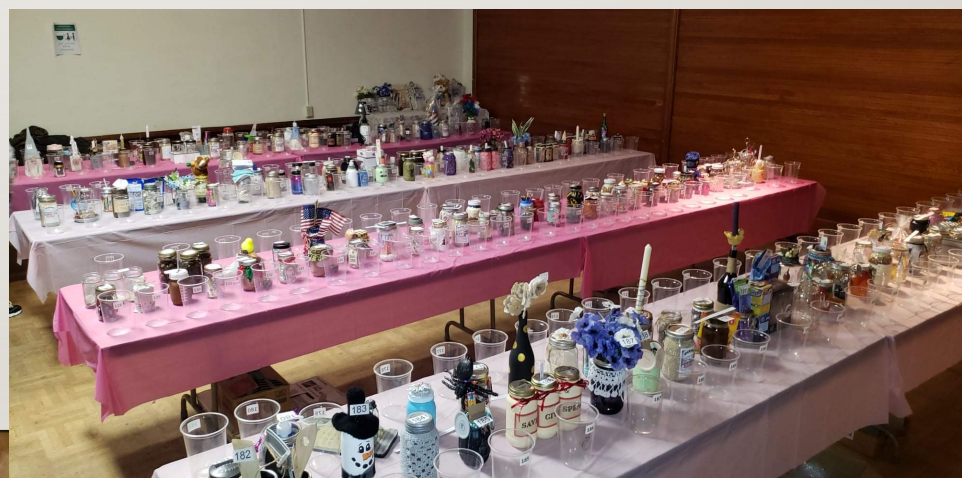

Bring Live Music Back to the Center

- Mason Jar & Music Fest is our largest fundraiser
- We want to bring back live, local music to our events:
 - Historically, attendance and profits are higher with live music component
 - This also invites more people in to experience the community center and learn about the history
 - Also provides a fun, low-cost day for families in the area
- SHHC annual expenses are ~\$20,000

Mason Jar & Music Fest

Thank You!
