

Carbon Leadership Circle

The **Carbon County Community Foundation**, established in 2015, is a 501(c)3 organization that serves as an umbrella for many distinct charitable funds. Our mission is to improve the quality of life for all Carbon County residents, now and forever. We work with community members and friends *like you* to create legacies of giving to support charitable causes and help our community be more resilient and sustainable.

We invite you to join the **Carbon Leadership Circle**, a group of generous and visionary people making a lasting difference in our region through the **Fund for Carbon County**.

Your gift will support the **Fund for Carbon County**, the Foundation’s discretionary assets used to make grants annually to community organizations addressing the most important needs throughout the region. The Fund may also be used to defray CCCF operating costs if necessary. Since 2015, more than \$100,000 has been distributed in grants from the Fund for Carbon County.
