

Dear Community Member

I hope this letter finds you well. On behalf of Jack Frost National, along with our Presenting Sponsor Blue Ridge Real Estate we invite you to be a part of an exciting upcoming event that will directly benefit our first responders of Kidder Township. On September 8, 2025 (rain date September 22), we will be hosting the Jack Frost Invitational Golf Tournament, and we would be honored to have your support as we raise funds for each department.

Members of the Fire, Police and Ambulance departments whether volunteers or not they stand ready to face whatever challenges that are put before them, they are the ones that are truly responsible for going immediately to the scene of an accident or emergency to provide assistance to those in need. They work tirelessly to protect and serve our community, often putting themselves in harm's way to ensure our safety. Their level of devotion sometimes goes unnoticed.

We are very grateful to you, our friends, and community members, and would like to thank you for your generous donation that will assist these departments in so many ways, including education and training, apparatus and equipment, and building and vehicle maintenance. Here are just a few ways to get involved, sponsorship, participation and donations. A charitable fund at the Carbon County Community Foundation has been established to support this effort, so your contribution is tax deductible.

We believe your involvement will make a lasting impact on our first responders and the community at large. Together, we can help and ensure that our first responders receive the recognition and support they deserve. Hope to see you on the golf course!!!

Sincerely,

Kidder Township First Responders Golf Tournament Committee
