

ABOUT THE 20/20 CIRCLE!

A New Vision for Charitable Giving in Carbon County

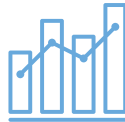

The 20/20 Circle is a community of generous individuals and businesses coming together to make a bigger impact. By pooling our donations, we can do more good in Carbon County.

How It Works:

- Donate \$1,000** You can pay it all at once or spread it out over up to four years (just \$21 a month).
- Watch it Grow** Your contribution is invested, increasing its impact over time.
- Make a Difference** Every year, members meet to hear about exciting local projects and vote on which one to support.
